

PARK HILL NEIGHBORHOOD ASSOCIATION NEWSLETTER
General Meeting 7:00 p.m., Wednesday, March 16, 2011
Fire Station 8 Community Room

THANK YOU: To Officer Rizk and Officer Williams from CSPD Special Operations for their informative presentation at our January 2011 meeting on the operation of traffic cameras that record red light violations.

PROGRAM: Carl Schueler, Senior Planner for City of Colorado Springs Land Use Review Division, will offer an update on the *Academy Blvd. Corridor Great Streets Plan*. He will discuss recommendations and consider our input. Remember this will affect the part of Academy we use the most. We have a great need to bring businesses back to this area, so this meeting is a **MUST** for you to attend. Now is your chance to have the city listen to your needs. Let us show support for this program to revitalize this part of the city by showing a good turnout.

CLARIFICATION: Our last newsletter mentioned the city repairing your sewer lines if you have had them cleaned within the last two years. After conferring with Colorado Springs Utilities again, we should clarify they will only repair your line if there is a blockage in the main line which causes a break in the homeowner's line. Sorry for any confusion.

GARDENING IN THE PIKES PEAK REGION: The Colorado State University extension office is offering gardening classes tailored to this region, to teach sustainability of your landscape and how to increase the value of your property. Eight classes run from March 8 to April 26 and cost \$10 per person for each class. Call 520-7676 or 520-7688 for information. If you would like some additional information before phoning them, call Nancy at 597-1174, or visit their website, www.coopext.colostate.edu/el Paso/index.htm.

PHNA WEBSITE: The PHNA website (listed at the bottom of this page) has been revamped and improved – visit us and check it out!
